

Airt Tart

Foods

Tart's shell

Differentials:

Packaging delivery all in

You can assemble the dessert on the tray!
The tray serves as a display, making serving easier. Increases production capacity and cost reduction.

News!

Now! Our products have been with package for delivery!

Art Tart Advantages

Innovative design - 7 formats
Uniform bases, ensuring standardization and agility in production Can freeze and bake
Shelf Life: 12 Months

We prepare authentic recipes from the birthplace of European confectionery. Our pie bases are produced through meticulous research and development by renowned pastry chefs. All bases are produced with a high quality standard and selected ingredients, resulting in a unique sensorial experience.

Our product line:
